

CONSULATE PERSONNEL ATTEND CONTINUING TRAINING

The Philippine Consulate General in Milan organized its initial training program for 2021 on 12 January 2020. Personnel of the Philippine consular mission in Northern Italy attended a lecture on “An Overview of the Treaty-Making Process in the Philippines” delivered by Mr. Francisco Noel R. Fernandez III, Deputy Chief of Mission of the Philippine Embassy in Ottawa, Canada.

The lecture provided the participants with the basic knowledge in the procedure guiding the negotiation of international agreements as outlined in Executive Order No. 459, Series of 1997, an executive issuance drafted by Mr. Fernandez during his tenure as Treaties Director in the Department of Foreign Affairs. In addition, the event provided an opportunity for the sharing of information as regards the extra-territorial service of judicial documents and a discussion on the procedure outlined in the 1965 Hague Service Convention of which both the Philippines and Italy are States-Parties.

Mr. Francisco Noel Fernandez introduced the procedures of Executive Order No. 459, s. 1997, to the participants.

Participants show their Certificates of Attendance which they received at the conclusion of the lecture.
